Covenant Theological Seminary has prepared this catalog on the basis of the best information available at the time of printing. All information contained in this catalog is subject to change without notice or obligation, including: the academic calendar, admission and graduation requirements, course offerings, course description and curricula, statement of tuition and fees, rules and policies.

Welcome

Our seminary is devoted to the purpose of training already-committed believers for a lifetime of productive service to the Lord Jesus Christ and His Church. Our courses are Bible-centered and our commitment is to provide spiritual growth for ministers, thereby preparing them for the work of the ministry through the power of the Holy Spirit.

Covenant Theological Seminary was founded upon the goal to “equip the saints to do the work of the ministry,” as well as honor and recognize ministers for their labors, with the main GOAL to DUPLICATE ourselves and the materials for the training of ministers, just as Jesus commanded us in Matthew 28:19-20, as did the Apostle Paul in 2 Timothy 2:2.

We believe the quality of preparation for our students is far beyond that of most seminaries mainly because our materials deal with the personal growth of the minister, rather than just knowledge about the ministry, or just the message. In other words, our main objective is first to prepare the minister so that he or she would live the message, rather than just preach it!

As part of this process, the accessibility of the curriculum is of utmost importance. Therefore, CTS makes courses available in several ways allowing you to choose the option that works best for you. These options are: On campus classes conducted in Greenville, NC; satellite campuses are located in a variety of locales, (contact us about possible locations near you); Online through our *CTSOnline* program (www.ctsonline.me) allowing you to take the courses in a self-paced manner. Another option for U.S. Students is our distance learning program for those less computer saavy. Take a look through our catalog. We look forward to serving you.

History

Covenant Theological Seminary (CTS) has been serving the Body of Christ in North Carolina and beyond since 1990 when it was incorporated by Dr. Barney W. English to train ministers for the work of the ministry.

After many years of service and for age and health reasons, Dr. English reluctantly retired and passed the seminary on to a capable disciple, Dr. Lyndon Purifoy, who was well able to carry on the school. Previously for seven years, Dr. Purifoy had served Dr. Harold Vick, founder of Jacksonville Theological Seminary, as curriculum director, then on the road establishing new schools as a satellite school director as well as serving as vice-chairman of the Board of Directors. However, in the last several years Dr. Purifoy's fuller ministry has developed through his leadership gift and his apostolic teaching ministry to place more effort toward personal growth and development of individuals [discipleship] for the expansion of the Kingdom of God; additionally, others have sought him out for development, covering, oversight and direction. Therefore Dr. Purifoy, seeing the hand of the Lord along with his desire to continue the heritage and legacy of both Dr. Barney English and Dr. Harold Vick, passed leadership to Dr. Max O. Flynn to carry on and expand the ministry.

Dr. Flynn is the father of four daughters and with his wife Judy, are the proud grandparent of eight grandchildren. He has been an ordained minister since 1973 and is currently the senior pastor of Radiant Life Foursquare Church in Greenville and superintendent of the North Carolina Coastal Division of Foursquare Churches. He holds a Bachelor of Divinity from Luther Rice Seminary in Atlanta, Georgia, a Master of Theology and Doctor of Divinity with Southern Bible Institute and Seminary in Augusta, GA, and doctoral degrees in Religious Education and Theology from Jacksonville Theological Seminary in Jacksonville, Florida.

His life verse and call is II Timothy 2:2: “*The things that you have heard of me among many witnesses, the same commit to faithful men, who shall be able to teach others also,*” which is the Lord's strategy to not only equip people for the work of the ministry, but also to duplicate and multiply their ministry by equipping others who will then disciple others.

Above all, he is a spiritual father and a “pastor's pastor” with a shepherd's heart who equips the Body of Christ and boldly preaches and teaches the Word of God.

Campus Options

CTS has four basic ways to obtain your degree:

- 1) On-campus studies at our main location in beautiful Greenville, North Carolina. Greenville, a city of approximately 80,000 is home to East Carolina University and the Brody School of Medicine. As a center of commerce for eastern North Carolina, Greenville is a progressive city with a lot of amenities. Classes are held on the campus of Radiant Life Church. Internships are available through the church and seminary.
- 2) Satellite campuses are scattered throughout eastern North Carolina and beyond. These campuses are located in churches or ministries under the supervision of the local pastor. Contact us for the location of a satellite campus near you.
- 3) Distance Learning - For non-local students with no satellite campus nearby, our Distance Learning program is a great option. Coursework is done via home study and coursework and communication is generally via US Mail. Not available to non-US students.
- 4) For our computer saavy students, *CTSOnline* is our best option. It allows you to access the coursework and many of the videos and audio lectures or messages online and be able to remain at your present job or ministry assignment. *CTSOnline* is a very popular choice, particularly for our distance students (including international students). Visit www.ctsonline.me to view the current offerings. We are constantly expanding our online offerings so if you don't see the courses you want to take online, let us know and we will try to accommodate.

Here is how *CTSOnline* works:

- You enroll in a course with your facilitator and make payment for the course and any fees (or make arrangements for said payments).
- Once payment is received, we will create your account with a username and password and you'll be given an access code to the course(s) in which you are enrolled.
- Once you are in the course, you will be able to access the necessary files (syllabus, documents, videos, audios, etc.). You will also have access to the 100 Question Test.
- Finally, upon completion of all the coursework, you will email your completed coursework directly to the Online Facilitator where it will be graded and you will receive your results.

Some of the work will require that you be online (to listen to an audio file or video, for instance), but other work can simply be accessed through *CTSOnline*, where you can download the needed files and work offline, then go back online to upload the completed coursework.

For our students outside the United States, *CTSOnline* may be the very best way to obtain your degree because of the instant nature of the Internet. No longer will you be dependent upon the mail system which can take quite a long time for delivery in many countries of the world.

Doctrinal Statement

Covenant Theological Seminary holds to the following Articles of Faith:

I. The Holy Scriptures

We believe that the Holy Bible is the Word of the Living God; true, without error, immutable, steadfast, unchangeable, inspired by the Lord God Jehovah; and penned by Holy men of old as they were moved upon and directed by the Holy Spirit.

II. The Eternal Godhead

We believe that there is but one true and Living God; maker of heaven and earth and all that in them; the Alpha and Omega, Who ever was, and is and shall be without end; that in the unity of the Godhead there are three Persons, equal in every divine perfection, executing distinct but harmonious offices in the great work of redemption.

The Father-whose glory is so exceeding bright that mortal men cannot look upon His face and live; but whose heart was so filled with love and pity for His lost and sin-benighted children that He freely gave His only begotten Son to redeem and reconcile them unto Himself:

The Son-Co-existent and co-eternal with the Father, Who, conceived by the Holy Spirit and born of the virgin named Mary, took upon Himself the form of man, bore our sins, carried our sorrows; and by the shedding of His precious blood upon the cross of Calvary purchased redemption for all that would believe upon Him; bursting the bonds of death and hell, rose from the grave and ascended on high leading captivity captive, that as the great Mediator betwixt God and man, He might sit at the right hand of the Father making intercession for whom He laid down His life.

The Holy Spirit-The third person of the Godhead, the Spirit of the Father shed abroad, omnipotent, omnipresent, performing an inexpressible important mission upon earth, convicting of sin, of righteousness, and judgment, drawing sinners to the Savior, rebuking, pleading, searching, comforting, guiding, quickening, teaching, glorifying, baptizing and enduing with power from on high, all who yield to His tender ministries, preparing them for the great day of the Lord's appearing.

III. The Fall of Man

We believe that man was created in the image of God, before Whom he walked in holiness and purity, but that by voluntary disobedience and transgression, he fell from the Eden of purity and innocence to the depths of sin and iniquity. We also believe that as a consequence of this, all mankind are sinners, not by coercion, but by choice, shaped in iniquity and utterly void by nature of the holiness required by the law of God. Therefore, mankind is positively inclined to evil, guilty and without excuse, justly deserving the condemnation of a just and Holy God.

IV. The Plan of Redemption

We believe that while we were yet sinners Christ died for us, the just for the unjust; freely, and by divine appointment of the Father, taking the sinner's place, bearing his sins, receiving his condemnation, dying his death, fully paying his penalty, and signing with His life's blood, the pardon of everyone who should believe upon Him; that upon simple faith and acceptance of the atonement purchased on Mount Calvary, the vilest sinner may be cleansed of his iniquities and made whiter than the driven snow.

V. Salvation Through Grace

We believe that the salvation of sinners is wholly through grace; that we have no righteousness or goodness of our own wherewith to seek divine favor, and must come, therefore, throwing ourselves upon the unfailing mercy and life of Him who bought us and washed us in His blood, pleading the merits and righteousness of Christ the Savior, standing upon His word and accepting the free gifts of His love and pardon.

VI. The Baptism of the Holy Spirit

We believe that the Baptism of the Holy Spirit is the incoming of the promised Comforter in might and glorious fullness to endue the believer with power from on high and thus enable him for purposes: to glorify and exalt the Lord Jesus; to give inspired utterance in witness of Him; to foster the spirit of prayer, holiness, sobriety; to equip the individual and the Church for practical, efficient, joyous, Spirit-filled soul –winning in the fields of life. We believe that this being the dispensation of the Holy Spirit, the believer may have every reason to expect His incoming to be after the same manner as that in which He came upon Jew and Gentile alike in Bible days, and as recorded in the Word.

VII. The Second Coming of Christ

We believe that the Second Coming of Christ is personal and imminent; that He will descend from Heaven in the clouds of glory with the voice of the Archangel and with the trump of God; and that at this hour, which no man knows beforehand, the dead in Christ shall arise; then the redeemed that are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air, and that so shall they ever be with the Lord.

VIII. Marriage

We believe the Bible teaches that marriage is ordained by God and is the union between one man and one woman.

IX. Sanctity of Life

We believe the Bible teaches that all human life is sacred and begins at conception.

Admission Information

Applicants for admission to Covenant Theological Seminary (CTS) are considered without regard to sex, age, color, or national origin. Each prospective student will be assessed according to his or her academic background.

In order to enter into a degree program with CTS, a student must possess a high school diploma or its equivalent. Students without such a diploma may enroll on a probationary basis.

An application must be made on the official form furnished by the admissions office. A copy is available in this catalog. Once the admissions office receives an application, along with the appropriate fees and official transcripts of all earned credit, the applicant will be evaluated to determine his or her academic needs by the Academic Dean of CTS. The Admissions Office will then notify the student by mail or email, regarding acceptance and credits needed for a degree. Once applicants have received official notice that they have been accepted as students, and their evaluation is complete; they may begin ordering courses. Courses may be taken at CTS or any Facilitator location.

Once all the requirements for an individual course have been completed, they are then to be mailed to CTS. A copy of the course grade will be returned to the student after the grade has been posted to the student's permanent records and transcript. NOTE: A student should not begin studies in a new course unless all the requirements for the previous course have been completed and submitted.

REQUESTING TRANSCRIPTS FROM PRIOR INSTITUTIONS

It is the responsibility of the applicant to contact any former educational institutions to request their transcript. CTS must receive "Official Transcripts" from the sending institution. These cannot be facsimiles of copies of transcripts you may already have in your possession. Fees for these transcripts are the responsibility of the applicant. Please have transcripts sent to: Covenant Theological Seminary, ATTN: Registrar, PO Box 1177, Greenville, NC 27835.

DISMISSAL AND RE-ADMISSION POLICIES

CTS reserves the right at any time to place on probation, suspend, or dismiss a student whose academic standing, financial obligations, progress, or conduct is not deemed as satisfactory by the administration. If a student has been "inactive" for a period of one year or longer, he or she will no longer fall under the "grandfather" clause for subsequent degree plans. All curriculum and financial degree plans will be established as per the current guidelines for the current year; however, the application fee will be waived. Re-admission is not to be expected after a dismissal. However, a student is free to re-apply through the office of admissions for student status at any time. His or her re-admission will be subject to the written approval of the president.

REPEATING A COURSE

Students may request and obtain permission to retake an exam if the grade was below a "C". If students receive a failing grade for the course, they must retake it to receive credit for graduation. Only the higher grade will be recorded on students' records. Corrected tests do not include the answers; they do, however, indicate each question missed. A second attempt should be much easier. The cost to repeat an exam is \$25.00.

AUDITING A COURSE

All students must be registered to take ANY CTS course(s) for the registration fee of \$50 per degree, including Audit Student. The Audit student will then pay a \$50 course Audit fee for each course taken, with the only requirement of attending classes. For each Audit course there will be issued a certificate of completion for taking the course also awarding them one credit hour, which will also be added to their official transcript.

GRADES, GRADE POINTS, AND GRADE POINT AVERAGES

All work is graded by letters, which may be interpreted as follows, including grade points for each Credit hour.

Grade	Meaning	Grade Points/Credit Hour	
A	Excellent	4	3
B	Good	3	3
C	Average	2	3
D	Poor	1	3
S	Satisfactory	0	3

F	Failure	0	0
N	Audit	0	0
WP	Withdrew passing	0	0
WF	Withdrew failing	0	0

Note: There is a \$10.00 drop fee for each course dropped.

S - This grade is given primarily for credit through "Prior Learning Assessment and Alternative studies." It reflects hours being earned toward graduation but has no bearing on the Student's Grade Point Average (GPA).

I - Indicates that additional work must be done to receive a passing grade for the course or program.

N - This grade may be given to those who are not taking the course for credit. This grade may be changed to a standard letter grade if the appropriate additional fees are paid and all work for the course completed.

WP - This indicates that the student has officially withdrawn from a course and was passing at the time of withdrawal. A "WP" is not calculated as part of the student's Grade Point average (GPA).

WF - This indicates that the student was officially withdrawn from a course and was failing at the time of withdrawal. No refund will be given for a WF.

"Official" transcripts will be sent to an institution at the student's written request. Transcripts will be provided for a fee of \$10.00 each. "Acceptance of transfer credits from this institution to other institutions is at the discretion of the receiving institution". (Please note: All CTS accounts must be paid in full before any transcript can be sent).

Financial Information

GENERAL INFORMATION

CTS commits to you that we will continue to offer the highest level of academic studies in the Word of God, at the lowest cost possible. Our Standard of Excellence has been established by those who have gone before you, those who have pressed toward the goal in studying to show themselves approved to God, and are now laborers in the harvest fields for the Gospel of Jesus Christ. We at CTS encourage you to press on; studying to show yourself approved to God, a workman that need not be ashamed.

CTS provides opportunity for students to select one of four financial plans to pay for their course of studies. These payment plans were developed to meet the need of each and every student, while providing CTS the necessary moneys to maintain our support of ministry partners both here in the USA, and also throughout the world.

We at CTS ask that you pray and seek the Lord as to how He would want you to pay for your degree plan. As the Lord has called you to the seminary, He will open the doors for you financially. Be faithful if God directs you to step out in faith and be a blessing to CTS, by accepting Plan "A".

PLAN "A" - 100% payment of degree plan upon registration/start of courses.

PLAN "B" - 33%/33%/34%: Allows for payment of degree plan in three equal payments: 33% upon registration/start of your first course; 33% within 90 days of registration; and the balance within 180 days of your start.

PLAN "C" - 25% with equal monthly payments for balance: A payment equal to 25% of the total degree is paid upon registration or the start of your first course, with the balance of all costs equally disbursed over the remaining number of courses required for the degree.

PLAN "D" - Personalized Payment Plan: A payment plan personalized and developed between the CTS representative and the student.

FINANCIAL GIFTS

As an interdenominational institution, we do not enjoy a general church relationship in regards to annual funding. We must therefore rely on tuition, fees, and gifts to cover all of our operating costs. The revenue generated by our low tuition does not begin to meet our needs.

We ask, please, to remember us in missions giving. Currently CTS supports and provides scholarships to students in a number of foreign countries who have no means of earning an income to pay for seminary studies. CTS also supports and offers scholarships to students who are incarcerated, but desire to study the Word of God and are eager to share the Gospel message while incarcerated, and awaiting release. By your gift today, you will assist CTS in ministering to the needs of these individuals. Pastors, an annual CTS offering would be very appropriate and most appreciated. Individuals may wish to commemorate a dear loved one with a scholarship fund in the name of that particular saint. Also, it may be possible to remember CTS in the last will and testament. What more exciting prospect could there be, than to know that when one is home with the Lord, his influence will continue as men and women prepare for ministry through his or her thoughtfulness! Help us today with your generous financial gift. No matter how small or big your gift is, you will make a difference. To make such an arrangement, please call or write to Dr. Max Flynn, CTS President.

No degree will be issued to any student unless that student has taken a minimum of twelve (12) Credit Hours (4 courses) from Covenant Theological Seminary in the field of that degree. This does not diminish the number of required courses for each type of degree.

All transfer credits must be received by CTS from the institution where the credit was earned. Transcripts must indicate “Official Transcript” and signed by the registrar of that institution.

2. Prior Learning Credit:

For every 15 hours of actual attendance at seminars, study course classes, or workshops; CTS will award one credit-hour. The church or facility giving the seminar, study course class, or workshop must document all CEU credits. Prior learning credit will be given as follows: for each year of work that is related to his or her course of study, the student will be given three (3) credit hours, up to 28 hours of credit applicable towards an associate and/or bachelor degree.

3. Ministry Portfolio Credit:

CTS also integrates ministry experience into a student’s current educational program. Three (3) credits may be given for each year of active involvement in ministry with a maximum of 30 credit hours applicable towards an associate and/or bachelor degree. No credits are applicable toward a master or doctoral degree and only postgraduate work will be counted toward postgraduate degrees.

4. Course Completion:

CTS offers in-house classes on campus and at other locations as well as provides distant learning courses for students to take in the privacy of their own home and to complete at their own pace via CTS Online. Contact our office to get a schedule of classes being offered on campus.

IS 0533 Mission Addiction

Textbook

Dr. David Shibley

In this course you will discover a global Jesus generation that is creating discomfort in the church and change in missions worldwide. God is calling you to become part of a contagious epidemic of missions-hearted believers who will bring global fame to His Name. (Additional book: A Force in the Earth by Dr. David Shibley) (Also MN 5443)

IS 0713 Intercultural Studies Ministry Practicum

Because the best way to learn about missions is by getting out and doing it, we require students to participate in a domestic or international cross-cultural missions trip with Global Frontier Missions. Students will spend at least forty-five (45) hours of cross-cultural ministry among Hindus, Muslims, and Buddhists. There will also be practical teaching, training, coaching, and debriefing as students get hands-on experience reaching out to people from all over the world. This is required for anyone desiring to obtain their associate's, bachelor's, or master's of ministry in intercultural studies.

IS 0723 Missionary Perspectives

This is an introduction to missions course helping students understand the biblical, historical, cultural, and strategic perspectives in missions. Missionary Perspectives gives an overview of the who, what, when, where, why, and how missions has been done from the time Christ gave the Great Commission until today. Emphasis will be placed on the task remaining: the unreached people groups of the earth.

IS 0733 The Missionary Call

During this course, we will be learning about the call to missions as well as the motivation for going to the mission field. The ultimate reason that we should be going to all nations is God's glory. Worship is both the goal and the fuel of missions. We will focus on the "why" of missions and the reason we go to the ends of the earth.

IS 0743 Church Planting Movements

This course teaches the universal elements of church planting movements. There are principles being used overseas that we can learn from where there is spontaneous, rapid multiplication of disciples making disciples and churches planting churches. We will study movements throughout the earth and talk about expansion of the kingdom.

IS 0753 Cross-Cultural Church Planting

This course teaches the process of planting churches among other cultures starting from stone clearing through leadership development. You will learn the different phases of church planting and learn concepts such as team formation, language learning, cultural acquisition, abundant gospel sowing, discovering people of peace, making disciples, planting churches, and raising up indigenous leaders.

IS 0763 Simple Church

During this course, we will talk about simplifying our definition of church. Jesus said that where two or three are gathered, he is there among them. In some ways, we have professionalized Sunday morning services and have developed a Western model of church that might not fit into other contexts. We will look at how simple and reproducible church can be by looking at the New Testament model.

IS 0773 Orality and Storytelling

During this course, we will talk about the most effective way to share the gospel with people of oral or non-literate cultures. We will talk about the power of storytelling and how chronological storying has been an effective tool in many missions contexts. We will also look at a lot of different audio and video resources that are being used overseas to disciple the nations. Storytelling is a tool that is being used all over the world in evangelism, discipleship, and church planting.

IS 0783 Cross-Cultural Evangelism

During this course, we will be looking at what our message is as we go overseas. Jesus said that “this message of the kingdom will be preached in the whole world and then the end will come”. So, we will focus on the message of the cross, the kingdom, and Christ. We will also look at Jesus’ model of taking a small group of disciples and pouring into them and then sending them out to do the same.

IS 0793 Cross-Cultural Communication

During this course, we will be learning about culture and how to communicate with people from other cultures. Missionaries have often been accused of exporting Western culture and values alongside the gospel. We will talk about how to identify what parts of our and other cultures are good, bad, and/or neutral. Many of the differences are not right or wrong, but simply different. We must have a good understanding of our home culture, the culture to which we are ministering, and the culture of God’s kingdom.

IS 0803 Discipling the Next Generation

During this course, we will talk about discipling the next generation of believers. We want to see people come to know Christ, but we also must make disciples who will in turn go and make other disciples. Paul instructed Timothy to take what he had learned and then to teach other faithful men who would in turn pass it on to others. We will be studying revival on college campuses where disciples are being multiplied quickly to the third and fourth generation and learning simple reproducible ways of making disciples.

IS 0813 Missions in a Pluralistic, Postmodern World

This course will be talking about church history because history tends to repeat itself and also because we can learn great things (good and bad) from our Christian heritage and missionary work from the past. We will also be talking about different forms (or wineskins) that the church has taken throughout history (house churches, traditional churches, mega-churches, emerging churches, etc.) Another major focus this week will be the shift in culture from a more modern to postmodern way of thinking and how that will affect the church, the mission field, and making disciples.

(FOLLOW THE SAME FORMAT THROUGHOUT ALL OF THE AUDIO/VIDEO/CHAPTERS OF THE COURSE, TAPES OR TEXTBOOK. YOUR OUTLINE SHOULD BE WRITTEN IN EITHER ALL COMPLETE SENTENCES OR ALL PHRASES, BUT NOT IN A COMBINATION OF BOTH.)

PREPARING AN ESSAY

YOUR PAPER SHOULD BE TYPED (DOUBLE-SPACED) ON ONE SIDE ONLY.

THE FIRST PARAGRAPH OF THE ESSAY SHOULD BEGIN WITH AN OPENING STATEMENT OF INTEREST. IT SHOULD CONTAIN ALL OF THE POINTS THAT ARE TO BE DEALT WITH THROUGHOUT THE ESSAY (FIVE POINTS FOR STUDENTS IN THE MASTER'S PROGRAM, AND SEVEN POINTS FOR STUDENTS IN THE DOCTORATE PROGRAM).

THE FOLLOWING IS AN EXAMPLE OF A FIRST PARAGRAPH:

It seems that preparing to be a teacher is more than just knowing the material to be taught. This course has taught me that I need to be able to deal with each student in a different manner, that patience is a vital necessity, that I can learn from students as well as impart information to them, that teaching the lesson is only a small part of the work that teachers have to do, and that I have to earn the respect of students not demand it from them. (NOTE THAT EACH POINT BEGINS WITH THE WORD "THAT".)

THE NEXT PARAGRAPHS (DEPENDING UPON THE NUMBER REQUIRED—AS IN OUR EXAMPLE, FIVE POINTS) SHOULD DEAL WITH EACH INDIVIDUAL POINT. YOU NEED TO USE A DIFFERENT PARAGRAPH FOR EACH POINT. YOU SHOULD USE TRANSITIONAL WORDS TO INTRODUCE EACH PARAGRAPH. (Master level should have a total of seven (7) paragraphs and the Doctorate level should have a total of nine (9) paragraphs.)

EXAMPLE OF THE SECOND PARAGRAPH IN OUR EXAMPLE ESSAY:

To begin with, I learned that every student is different. If I am going to reach each and every student in my class, I need to find out all I can about that student. Knowing his or her background will help me to understand why he or she reacts the way that he or she does. Some students need visual instruction while others need hands-on participation. Just knowing the material that I am teaching is not sufficient.

EXAMPLE OF THE THIRD PARAGRAPH:

In addition to knowing all that I can about each student, I learned that patience is a vital necessity for a teacher to possess. Sometimes it is necessary to repeat instructions several times before all of the students understand the material. Sometimes I may have to alter my progress of teaching in order to make sure that every student knows the material that I am presenting.

THE WORDS UNDERLINED AT THE BEGINNING OF THE TWO EXAMPLE PARAGRAPHS INDICATE TRANSITIONAL WORDS. YOU ARE NOT TO UNDERLINE THESE WORDS IN YOUR ESSAY.

YOU SHOULD CONTINUE THE REST OF THE PARAGRAPHS-- EXCEPT THE FINAL ONE--USING THE POINTS IN YOUR FIRST PARAGRAPH.

THE LAST PARAGRAPH IS A CONCLUDING PARAGRAPH AND SHOULD SUMMARIZE WHAT YOU STATED IN THE FIRST PARAGRAPH. ONCE AGAIN, YOU SHOULD LIST ALL POINTS (FIVE OR SEVEN) THAT YOU HAVE DISCUSSED IN YOUR ESSAY.

PREPARING A TYPED BOOK REPORT

The typed book report has three parts:

- the introduction,
- the body,
- and the conclusion.

(The total length of a typed report should be a minimum of five (5) pages for students in the Master's program, and a minimum of eight (8) pages for students in the Doctorate program.)

YOUR PAPER SHOULD BE TYPED (DOUBLE-SPACED) ON ONE SIDE ONLY.

YOU SHOULD HAVE ONE INCH MARGINS ON THE SIDES AND TOP OF YOUR PAPER.

I. The Introduction:

Introduce the title, the author, and the subject or theme of the book in the first sentence Example: Little Women by Louisa May Alcott recounts the girlhood experiences of Jo March and her three sisters.

Get your readers interested in what you are going to say—perhaps with a striking statement, a quotation, or some background information. If the book has a setting (time and place), you might include it.

Example: Set in New England around the time of the Civil War, this classic novel provides a glimpse of daily life in a nineteenth century American household. Though fictional, it reads like a true story, because the main characters are fashioned after the author's own family. The character Jo March resembles Louisa herself.

Close your introductory paragraph with a statement of opinion. Choose one aspect of the book—a moral, a concept, or a principle—that made an impression on you.

Ask yourself, "What did I learn from this book? Would others benefit from it?

And if so, how?" You will discuss this statement in the body of your report.

Example: Though the experiences of the March sisters, one can learn to appreciate the family that God has given him or her.

II. The Body

A. Begin with a short, concise summary (synopsis) of the book, including only the main points or key events. Limit this synopsis to several sentences.

1. For a fiction book, write a summary of the plot.

The plot is the sequences of actions that make up a story. The plot begins with a conflict involving main characters. Sometimes, the conflict involves two people. Other times, the conflict involves the main character and a variety of people and circumstances. In some stories, conflict may be at work with the character.

Example: In the story Little Women, each of the March sisters faces her own conflict with self as she tries to "be good."

After you have stated the conflict, recount the events that develop the conflict to the point at which one of the opposing forces is about to prevail over the other. This is called the climax. Following the climax, relate the events that resolve the conflict.

2. For a biography, relate the chief incidents in the subject's life.

3. For a nonfiction book, write a summary.

B. In the succeeding paragraphs of the body, use incidents, details, and quotations that support the opinion you stated in the introduction. Prove your point.

Example: In the opening scene, the March sisters are bemoaning their poverty when Beth gently reminds them how rich they really are: "We've got father and mother and each other." Though lacking in material comforts, the girls gradually learn to appreciate the treasure they have in a loving home. Mother's gentle words and Father's letters from the battlefield remind them of the things that matter in life: relationships, kind words and loving deeds, and personal growth and maturity. Meg learns about the emptiness of material wealth when she visits Annie Moffat and tries to fit in with her frivolous and worldly friends. Jo learns to forgive when Amy burns her precious books. Beth teaches them all about selfless giving when she reaches out to help a poor widow and her children and is stricken with a deadly fever. As each

girl struggles with her personal weaknesses, she learns to appreciate more fully the family that God has given her and the values they share.

III. The Conclusion:

A. Begin the conclusion with a restatement of your opinion. (Avoid the temptation to use the same wording that you used in your introduction.)

Example: Of the many lessons to be learned from *Little Women*, the importance of family relationships is one that no reader should miss. Everyone can learn to appreciate his or her siblings and parents from the example set by the March sisters.

B. Give your thoughts about the book, whether they are favorable or unfavorable.

Example: I enjoyed Louisa May Alcott's honest portrayal of family life.

Like any ordinary family, the Marches had disagreements and quarrels from time to time, but they remained a close-knit, loving family because they recognized and practiced Scriptural principles of family life: the girls honored their parents, loved each other, and sought to live peaceable together.

You may comment on the realism of the characters, the charm of the setting, the effectiveness of the imagery, the aptness of the dialogue, or the naturalness of the action. As a Christian, you must also think about the content. How are evil actions presented? Is evil shown in a way that disgusts the reader? Or is it made attractive to the reader? Are the consequences of evil actions shown to be what the Bible says they will be?

In the body of your report, emphasize the moral, the concept, or the principle that impressed you. In the conclusion, evaluate the book according to the criteria above.

NOTE: Keep the number of pages of your Book Report to the required number of pages for your course. Points will be deducted for long elaborate Book

Reports. Remember, you are not re-writing the book, you are only giving a report of the book. Your paper should be typed (double-spaced) on one side only.

APPENDIX C

NOTES FOR WRITING A THESIS OR DISSERTATION

YOUR PAPER SHOULD BE TYPED (DOUBLE-SPACED) ON ONE SIDE ONLY

Note: All topics for Thesis or Dissertations must be approved by the Academic Dean.

The writing style used by Covenant Theological is that which is recommended by the Modern Language Association in its MLA Handbook for Writers of Research Papers (5th edition, New York: MLA 1999)

Guidelines for Restricting a Topic:

1. Become knowledgeable about your unrestricted topic by doing preliminary research. You might read encyclopedia articles or other reference books and consult representative sources from your working bibliography. Always avoid restricting when you have too little information.
2. As you gather background information about your topic, try to identify a problem or controversial issue about which experts or special-interest groups disagree. When you find controversy, you can be sure you are on a topic worth pursuing. When there is controversy, there is a problem to solve and an opportunity to interpret—for you to make your own sense of an issue, to explain or find a solution.
3. Limit the scope of your investigation. For example, you might focus on only one area of a particular subject.
4. Be sure that your research can provide sufficient sources on the topic and that all the material, that you need, will be accessible. Also consider whether you will have adequate time to work with the materials and complete the assignment. Be sure, too, that your evidence is sufficient for you to develop a reasonable and objective thesis for your paper.

Guidelines for Paraphrasing

1. Read the source, looking for the writer's main idea.
2. Write down, in your own words and using your own sentence structure, what you think the main idea is. Order your paraphrase just as the original source is ordered; include appropriate details.
3. Check your paraphrase against the source. Make sure that you have captured the essence of the source and that your wording differs significantly from the wording in the original source.
4. Avoid plagiarism by giving credit to the author of the paraphrased materials.

Guidelines for Quoting:

You Should Quote:

1. When the writer's words are so cogent and memorable that summarizing or paraphrasing would undercut their effectiveness or alter their meaning.
2. When you believe the writer's words will lend authority to what you have to say and will be more persuasive than your summary or paraphrase of those words.
3. When you want to take exception to what a writer has said.
4. When you want to comment on a writer's words as a way of expressing your own position or idea.
5. When you want to let a speaker's own words expose the weakness of his or her argument.
6. When you want to cite statistical information from the source.

Guidelines for Gauging the Reasonableness of Your Thesis or Dissertation

1. Is my thesis or dissertation based on the investigative work I have done?
2. Is my thesis or dissertation focused?
3. Is my thesis or dissertation objective, fair, and deliberate, taking into consideration all sides of the issue?
4. Have I avoided a heated, two-sided debate or a simple declaration that invites resistance?

Guidelines for Incorporating Evidence

1. Clearly introduce and conclude each summary, paraphrase, or quotation in such a way that readers know where it begins and ends.
2. Ensure that the incorporated material blends smoothly into your sentences and paragraphs. Avoid shifts in verb tense or awkward phrasing that would contrast sharply with the incorporated evidence, making your sentences difficult to read and understand.
3. Provide a parenthetical citation within the thesis or dissertation to document the source of your evidence and avoid plagiarism.
4. Be sure that you have adequate parenthetical citations and that each citation corresponds to the list of sources at the end of the thesis or dissertation (Works Cited Page.)

Guidelines to Works Cited Page-- MLA style uses two methods for citing borrowed material within the text.

1. The author and page number of the source are identified immediately following the borrowed material.
2. The author is identified in the text and the page reference is given immediately following the borrowed material.

Use the following guidelines when writing with parenthetical citations.

1. Keep the citations concise, but provide all necessary information.
2. Use an author's last name in the first and subsequent in-text citations. Use an author's first initial and last name if two authors in the Works Cited list share the same last name.
3. Place any punctuation marks in the text immediately following the closing parenthesis of the citation.
4. Include a page reference for the borrowed material.

Avoid right-side justification. If you use a word processor to prepare your Works

Cited list, turn off the right-side justification to avoid disrupting your spacing and your placement of punctuation marks.

Keep the following guidelines in mind when preparing book entries for the Works Cited list.

1. Author: An author's name (exactly as it appears on the title page) should appear as:

Last name first, followed by a comma, then by the First and Middle names or initials.

Put a period after the author's name.

2. Title: Copy the title and subtitle (if any) from the title page, not from the cover or spine of the book. Underline the title and capitalize all major words. Separate the main title from the subtitle with a colon. Put a period after the title and subtitle.

3. Publication Information: Copy the publication information (the city of publication, the publisher, and the year of publication) from the title and copyright pages. If more than one city is listed on the title page, cite the first one only. Put a colon and one space after the city of publication before the publisher's name.
