Equipping Leaders for Ministry  
& the Marketplace

# Welcome

Our seminary is devoted to the purpose of training already-committed believers for a lifetime of productive service to the Lord Jesus Christ and His Church. Our courses are Bible-centered and our commitment is to provide spiritual growth for ministers, thereby preparing them for the work of the ministry through the power of the Holy Spirit.

Covenant Theological Seminary was founded upon the goal to “equip the saints to do the work of the ministry,” as well as honor and recognize ministers for their labors with the main GOAL to DUPLICATE ourselves and the materials for the training of ministers, just as Jesus commanded us in Matthew 28:19-20, and as did the Apostle Paul in 2 Timothy 2:2.

We believe the quality of preparation for our students is far beyond that of most seminaries mainly because our materials deal with the personal growth of the minister, rather than just knowledge about the ministry, or just the message. In other words, our main objective is to prepare the minister so that he or she would live the message, rather than just preach it. This is the heart of CTS.

## International School of Ministry (ISOM) Students Complete Your Education With Us!

This is also your invitation to continue your growth with us after beginning your training with the International School of Ministry (ISOM). We are delighted to be working alongside ISOM and excited to announce that we, Covenant Theological Seminary (CTS), will offer you an associate degree upon completion of the basic 5-trimester course and/or give you credit for the trimester(s) completed, then take you all the way to a doctoral degree through our training using courses built on the ISOM program. We gladly accept all credits from ISOM to be applied toward our associate and bachelor degrees.

Our three-fold goals are: (1) to equip ministers for the work of the ministry, (2) to offer degree recognition for training, and (3) our main goal being to DUPLICATE ourselves and the materials for the training of ministers. These goals are the primary reasons we are in association with ISOM as we both have the same vision, which is to train and duplicate our ministries and materials into the lives of others who will do the same (2 Timothy 2:2 & Matthew 28:19-20) until the Lord's Kingdom is established and extended on earth as it is in Heaven.
